Unexpected Opportunities, Unlimited Choices

Imagine living in a place where people know your name. It's where peers understand you, new friends embrace you, and compassionate, trained associates support all your interests and needs.

Today's seniors want greater choices and a more active lifestyle than ever before. That's why we designed every day at Joshua Springs Senior Living with engaging events, new opportunities, delicious cuisine, and personalized wellness.

Trade in cooking, cleaning, and yard work for Texas Hold 'em and musical performances. Will you start off the day with a nature walk, or get caught up in a drumming class? Will you join in the Pool Club before discovering somewhere new in virtual reality, or will you go on new adventures with fascinating friends? It's all part of our culture of choice.

Good food, beautiful surroundings, and wonderful people make Joshua Springs a special place.

Dining and the Good Life

A good meal with good friends is one of life's greatest pleasures. Here, residents regularly connect around the table to catch up, swap stories, and share laughs.

Our ever-changing menu features everything from gourmet selections to comfort foods. Each meal is crafted with intention by our culinary team to be both healthy and delicious. And with Gourmet Bites Cuisine, you have the option to transform menu items into hand-held creations to enjoy without assistance, utensils, or distractions.

Choice is always on the menu here.

Keeping Up With You Today, Tomorrow, and Always

As life takes its twists and turns, we'll be beside you every step of the way. Daily check-ins and wellness options are only the beginning. Our goal is to support your lifestyle with top-notch care that revolves around your schedule — never ours.

For outings and errands, let us do the driving with scheduled outings. We offer personal transportation to and from shops and appointments, as well as excursions to local attractions and cultural events.

There is always something fun happening. This is a great place to live with great food, fun activities, and great people.

Inspiring Confidence and Connections

When a loved one is experiencing moderate cognitive impairment, we're ready to welcome new residents into an uplifting, secure, and understanding environment that inspires a sense of connection and well-being.

Dedicated caregivers are trained in accordance with guidelines set out by the Alzheimer's Association. These treasured associates incorporate residents into the rhythms of daily living and engage in each moment as the days unfold, focusing on whatever evokes feelings of joy and purpose.

Prema Memory SupportSM

We offer customized care 24/7, putting each resident's unique life experiences, preferences, and needs first. Our positive approach focuses on what people can do, never what they cannot.

My mother is thriving! The associates are incredible. The energy is positive. And I can't say enough about the support and professionalism.

Watermark University

This award-winning program creates endless opportunities. Associates, residents, loved ones, and experts share their passions and knowledge with the community. Not only do these classes engage us in learning something new, they also bring our community together. Some favorites include *Flower Arrangement*, *Historical Documentaries*, and *Bake with Me*. Take a look at the calendar and see if there's a class coming up that interests you.
