Unexpected Opportunities, Unlimited Choices

Imagine living in a place where people know your name. It's where peers understand you, new friends embrace you, and compassionate, trained associates support all your interests and needs.

Today's seniors want greater choices and a more active lifestyle than ever before. That's why we designed every day at The Watermark at Cherry Hills with engaging events, new opportunities, delicious cuisine, and personalized wellness.

Trade in cooking, cleaning, and yard work for games of Rummikub and musical performances. Will you start off the day with a *Silver Sneakers* workout, or get caught up in a captivating documentary? Will you join in a class from a visiting professor, or will you go on new adventures with fascinating friends? It's all part of our culture of choice.

*We're not what you'd expect,
and that's a promise.*

"The Watermark at Cherry Hills is a great community with plenty of programs and events. Every time I visit I am so blessed to see the happy faces of the residents."

Dining and the Good Life

A good meal with good friends is one of life's greatest pleasures. Here, residents regularly connect around the table to catch up, swap stories, and share laughs.

Our ever-changing menu features everything from gourmet selections to comfort foods. Each meal is crafted with intention by our culinary team to be both healthy and delicious. And with Gourmet Bites Cuisine, you have the option to transform menu items into hand-held creations to enjoy without assistance, utensils, or distractions.

Meals with friends are more delicious.

ASSISTED LIVING:

Keeping Up With You Today, Tomorrow, and Always

As life takes its twists and turns, we'll be beside you every step of the way. Daily check-ins and wellness options are only the beginning. Our goal is to support your lifestyle with top-notch care that revolves around your schedule — never ours.

For errands, let us do the driving with scheduled outings. We offer transportation to and from shops and appointments, as well as excursions to local restaurants, attractions, and cultural events.

We sweat the small stuff so you don't have to.

“The associates are always warm, caring, and approachable. They’re highly inclusive and accepting.”

MEMORY CARE:

Inspiring Confidence and Connections

When a loved one is experiencing moderate cognitive impairment, we're ready to welcome new residents into an uplifting, secure, and understanding environment that inspires a sense of connection and well-being.

Dedicated caregivers are trained in accordance with guidelines set out by the Alzheimer's Association. These treasured associates incorporate residents into the rhythms of daily living and engage in each moment as the days unfold, focusing on whatever evokes feelings of joy and purpose.

Prema Memory SupportSM offers customized care 24/7, putting each resident's unique life experiences, preferences, and needs first. Our positive approach focuses on what people can do, never what they cannot.

*We challenge traditional assumptions
about what's possible.*

“Deciding that my mother needed Memory Care was difficult, but The Watermark at Cherry Hills made it easier. The associates and caregivers are warm and generous. They're always helpful and caring.”
