A loving, nurturing environment that truly feels like home.

Compassionately developed with **more than 30 years of experience**, Watermark's groundbreaking Prema Memory SupportSM program delivers outstanding care and an innovative approach in an encouraging, residential environment.

Here, we honor the unique life experiences of each resident and incorporate their **personal backgrounds, preferences, and needs** into the fabric of our program. We challenge traditional assumptions about what's possible, and we always focus on what residents can do, never what they cannot. Whether you or someone you love is experiencing mild cognitive impairment, Alzheimer's disease, or another form of dementia, we're here for you 24/7.

nurturing environment

Days are filled with the things you look forward to and enjoy.

Our Memory Care neighborhood is comfortable and familiar with feelings of home — the wonderful aromas of home-cooked meals, music, laughter, fresh flowers, natural light, and the loving companionship of friends and family.

Whether preparing meals together, tending the garden, listening to music, or simply enjoying life's daily pleasures, we fill each day with **favorite pastimes and enriching experiences** to create meaningful moments.

dining for the soul

Indulge in favorite foods with great friends.

A time to gather over the savory flavors of nutritious fare, shared meals are an opportunity to connect and engage. Robust menus include personal favorites and interesting new delights, as well as the treasured recipes from residents and their loved ones.

Gourmet Bites Cuisine enhances independence and restores the joys of dining for individuals with cognitive or physical challenges. Our expert culinary team transforms freshly prepared and high-quality menu items into delicious, bite-size portions to make meals more enjoyable and accessible.

Pantry Program provides residents with personal space to store favorite foods or personal mementos so items that provide comfort and joy are always close at hand.

A vibrant setting for connection and growth.

Expressive Arts

We use music, art, and movement to tap into all forms of creativity for an alternative form of communication beyond words.

Physical Wellness

From traditional fitness classes to innovative offerings such as *Chair Aerobics*, *Circuit Training*, *Full Body Stretch*, *Gentle Yoga*, and *Tai Chi*, our physical fitness programs are tailored to each resident's abilities, preferences, and needs.

**engaging
programming**

Watermark University

Residents, associates, family members, and local experts share their interests to ensure we always have opportunities to learn, grow, and connect with each other in meaningful ways. We feature dozens of classes like *Brain Fitness*, *Gratitude Journaling*, *Music and Movement*, *Mindfulness 101*, and *Whimsical Watercolors*.

Sharing and Supporting

Talking about past occupations, hobbies, talents, and experiences brings people together. We create opportunities for making those connections, while reinforcing each person's sense of accomplishment, purpose, and joy.

meet the nayas

Empathy and expert care inspire confidence and deeper connections.

Specially trained caregivers known as *Nayas* **communicate through validation** to show understanding and support. From this thoughtful foundation, we cultivate a sense of well-being and connection.

We partner with the **National Council of Certified Dementia Practitioners** and train our Nayas to incorporate residents into the rhythms of daily living. Together, residents and Nayas engage in each moment as the days unfold, focusing on whatever evokes a sense of joy and purpose.

extraordinary outings

Enriching experiences make a difference.

Our group excursions exceed expectations of what you'd find in a senior living community. Residents, associates, families, and volunteers work together to plan **safe, adapted** outings that create meaningful experiences.

Outings may include day trips to local parks, cultural attractions, community events, concerts, and even hot air balloon rides. It's a delightful way for residents to stay connected to their surroundings and enjoy new experiences.

Innovative programs and a holistic approach to wellness create a more fulfilling lifestyle.

Wide-ranging enrichment opportunities encourage residents to engage, explore, and keep growing in our vibrant community, where every detail is designed to enhance a sense of well-being and confidence. In this positive setting, each person finds the support and resources to pursue a lifelong interest or discover a new passion.
